RESOLUTION 18-08

AUTHORIZING THE AWARD OF CONTRACT
FOR THE PURCHASE AND DELIVERY OF MINIVANS

WHEREAS, the Madison County Mass Transit District (District) was created in December 1980 by resolution of the Madison County Board pursuant to Section 3 of the Local Mass Transit District Act, approved July 21, 1959, as amended (70 ILCS 3610/1 et. seq.); and,

WHEREAS, the District has operated the St. Louis regional rideshare program known as RideFinders for over 20 years; and,

WHEREAS, the District initiated a procurement for the purchase and delivery of a base order of four 7-passenger minivans with an option to purchase up to five additional minivans during the 2018 vehicle production year; and,

WHEREAS, two of the base order vehicles will be used for an expansion of minivans in the RideFinders Vanpool Program, and the other two base order vehicles will replace transit support vehicles that have exceeded their useful life; and,

WHEREAS, the District, having successfully completed said procurement, has identified Bommarito Toyota, of Hazelwood, Missouri, as the lowest responsive and responsible bidder, with a unit price of thirty-one thousand, five hundred fourteen dollars ($31,514) per vehicle, for the purchase and delivery of a base order of four minivans with an option to purchase up to five additional minivans during the 2018 vehicle production year; and,

WHEREAS, a price analysis concluded the bid price to be fair and reasonable and the firm has the capacity to provide the vehicles as specified; and,

WHEREAS, it has been determined to be in the best interest of the District to award a contract to Bommarito Toyota, of Hazelwood, Missouri, for the purchase and delivery of a base order of four minivans with an option to purchase up to five additional minivans during the 2018 vehicle production year; and,

WHEREAS, Congestion Mitigation and Air Quality (CMAQ) grant funds are available, at a 100/0 federal/local ratio, through a grant administered by the Federal Transit Administration (FTA) for the minivans to be used in the RideFinders Vanpool Program, therefore requiring no local match by the District; and,

WHEREAS, FTA Section 5307 grant funds, utilizing pre-award authority, will be used for the minivans that will replace transit support vehicles at an 80/20 federal/local ratio; the purchase of any additional support vehicles would be contingent on District needs and funding availability.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE MADISON COUNTY MASS TRANSIT DISTRICT THAT:

1. Madison County Mass Transit District award a contract to Bommarito Toyota, of Hazelwood, Missouri, for the purchase and delivery of four 7-passenger minivans, two vehicles will be used in the RideFinders Vanpool Program and two vehicles will be replacement transit support vehicles, with an option to purchase up to five additional minivans during the 2018 vehicle production year at a unit price of thirty-one thousand, five hundred fourteen dollars ($31,514) per vehicle. The total contract not-to-exceed amount is two hundred eighty-three thousand, six hundred twenty-six dollars ($283,626) for the purchase and delivery of a total of nine 2018 model year Toyota Sienna minivans.
2. Madison County Mass Transit District Capital Budget line item shall be increased by an amount equivalent to the project cost of the FTA Section 5307 funded vehicles.

3. Madison County Mass Transit District shall increase the Assigned Fund Balance by twenty percent (20%) of the project cost of the FTA Section 5307 funded vehicles.

4. Daniel L. Corbett, Chairman, J. Terry Allan, Vice Chairman, and/or Jerry J. Contract Award Recommendation

To: Board of Trustees
From: Jerry Kane, Managing Director
       Penny Brown, Procurement Specialist
Subject: Minivans No. 18-1-12000
Date: November 17, 2017

A formal competitive procurement was initiated on October 19, 2017 for purchase and delivery of a base order of four 7-passenger minivans with an option to purchase up to five additional 7-passenger minivans during the 2018 vehicle production year. Two of the base order vehicles are to be used for an expansion of minivans in the RideFinders program. The other two base order vehicles will replace support vehicles that have exceeded their useful life. The option to order up to five additional 7-passenger minivans provides the District with the flexibility to replace other support vehicles once they reach the end of their useful life and to add more minivans to the RideFinders fleet if needed.

Bids were received from three companies. Lou Fusz Commercial Network submitted the apparent low bid. Their bid was deemed non-responsive due to the fact they certified that Dodge Caravans are Buy America compliant; this is a material/critical bidding error because final assembly for these vehicles occurs in Canada. The other two bids, one from Bommarito Toyota and one from Mungenast Alton Toyota, were both deemed responsive.

The second lowest apparent bid was submitted by Bommarito Toyota. Based on a price analysis, their bid was determined to be fair and reasonable. A responsibility determination concluded they have the capacity to provide the vehicles as requested.

Recommendation is being made for a contract award to the lowest responsive and responsible bidder, Bommarito Toyota, with a unit price per vehicle of $31,514.00 and contract not-to-exceed amount of $283,626.00.

*Total Bid Price includes the base order of four vehicles plus five option vehicles.

CMAQ funds for RideFinders program vehicles are available in a FTA administered grant at a 100/0 Federal/local ratio.

Pre-award authority for Urbanized Area Formula Program (Section 5307) funds will be used for the purchase of two support vehicles at an 80/20 Federal/local ratio. The purchase of any additional support vehicles would be contingent on District needs and funding availability.
RESOLUTION 18-09

AUTHORIZING THE AWARD OF CONTRACT
FOR THE PURCHASE AND DELIVERY OF
12-PASSENGER AND 15-PASSENGER VANS
FOR SERVICE IN THE RIDEFINDERS REGIONAL VANPOOL PROGRAM

WHEREAS, the Madison County Mass Transit District (District) has operated the St. Louis regional rideshare program known as RideFinders for over 20 years, offering a variety of successful programs for the region's commuting public, including a vanpool program for groups commuting to common employment centers, thereby reducing traffic congestion and air pollution; and,

WHEREAS, the success of the RideFinders Vanpool Program has resulted in the need for three (3) replacement 12-passenger vans, one (1) van for expansion of the 12-passenger van fleet, and fourteen (14) replacement 15-passenger vans; and,

WHEREAS, the District initiated a procurement for the purchase and delivery of four (4) 12-passenger and fourteen (14) 15-passenger standard production vans; and,

WHEREAS, the District, having successfully completed said procurement, has identified Miles Chevrolet, LLC, of Decatur, Illinois, with a total bid price of five hundred eighty-one thousand, eight hundred thirty-eight dollars ($581,838) as the lowest responsive and responsible bid for the purchase and delivery of four (4) 12-passenger and fourteen (14) 15-passenger standard production vans; and,

WHEREAS, a price analysis concluded the bid price to be fair and reasonable and the firm has the capacity to provide the vehicles as specified; and,

WHEREAS, it has been determined to be in the best interest of the District to award a contract to Miles Chevrolet, LLC, of Decatur, Illinois, for the purchase and delivery of four (4) 12-passenger and fourteen (14) 15-passenger standard production vans; and,

WHEREAS, Congestion Mitigation and Air Quality (CMAQ) grant funds are available, at a 100/0 federal/local ratio, through a grant administered by the Federal Transit Administration (FTA) for the purchase of said vehicles, therefore requiring no local match by the District.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE MADISON COUNTY MASS TRANSIT DISTRICT THAT:

1.
