ATTENTION ALL MCT EXPRESS RIDERS

There are two issues in Downtown St. Louis that will affect boarding locations this afternoon.

1). Today only, MCT Express passengers who normally board at Market & 7th will need to board at 7th & Pine this afternoon due to the St. Patrick’s Day Parade set-up.

2). Due to a water main break on Market Street, Downtown, all MCT Express passengers who normally board on Market in front of Union Station must board at the corner of 18th and Market until further notice.
