MEDIA ALERT

DATE: June 15, 2020
SUBJECT: New MCT Trails Maps Are Available

WHO: Madison County Transit (MCT) is excited to announce that the new, updated 2020 pocket-sized MCT Trails Maps are now available by request.

WHAT: Since 1993, MCT has developed one of the most extensive networks of interconnected Class One trails in the country. This map will guide your exploration of the scenic MCT Trails which weave through a diverse array of natural landscapes and connect to a wide variety of destinations, including neighborhoods, parks, colleges, landmarks, and commercial areas. Developed, owned, and maintained by MCT, the trails feature:

• 10 distinct bikeways
• Spanning more than 135 miles of trails
• Serving 20 communities
• With more than 1,600 acres of greenspace
• Featuring 48 bridges and 22 tunnels
• As well as the new 8-mile extension of the MCT Goshen Trail from Troy to O'Fallon, IL

HOW TO GET ONE: New MCT Trails maps are available at bike shops and select public buildings throughout Madison County. Maps can be picked up at those locations, or requested by calling MCT at (618) 797-INFO (4636) or e-mailing trails@mct.org and one will be mailed to you. Due to COVID-19, the MCT Base of Operations remains closed to the public at this time.

FOR MORE INFORMATION: To learn more about the MCT Trails, visit www.mcttrails.org or find MCT Trails on Facebook.

Madison County Transit (MCT) provides multi-modal transportation services for Madison County, Illinois. MCT operates a fixed-route bus service, connecting to MetroLink; express weekday commuter service directly to and from downtown St. Louis; and seasonal express service to the Muny. For elderly and disabled residents who are unable to use the fixed-route buses, MCT provides complementary door to door service. MCT is also responsible for the construction and maintenance of more than 137 miles of bikeways that comprise the MCT Trails system, as well as overseeing RideFinders, the St. Louis region’s FREE carpooling and vanpooling program.
