Madison County residents who ride an MCT Express bus and work in downtown St. Louis will see a minor route adjustment to accommodate riders west of Jefferson Avenue. MCT will also add several evening trips into Eastgate Plaza in East Alton as well as begin serving the new World Wide Technology facility in Gateway Commerce Center. These route and schedule adjustments are a part of MCT’s February service change, effective Sunday, February 9, 2020. A summary of changes, by route, are listed below:
