## **MCT Troy Park & Ride Notice**

Madison County Transit (MCT) and the Troy Police Department have received numerous complaints of large groups of people gathering and loitering on the MCT Troy Park & Ride Lot, located at the intersection of South Main Street and US Hwy. 40. The gatherings have regularly resulted in large amounts of trash left on the lot, criminal damage to MCT property, theft, illegal drug and alcohol use, fights, reckless driving, and loud noise complaints. The Troy Police Department and MCT are dedicated to ensuring public safety and security for those who wish to utilize the park and ride for its intended purpose as a commuter lot.

Due to the on-going complaints, the Troy Police Department and MCT would like to make public notification that MCT will prosecute all criminal activity that takes place at Troy Park & Ride from this point forward. MCT has posted “No Loitering” signs on the lot; and has indicated that they will consider any group or gathering of people on the lot for more than fifteen (15) minutes to be in violation of loitering.

Please reach out to Troy Police Department if you have any concerns.
