## #22 University Shuttle Rerouting

Due to construction, the **#22 University Shuttle** cannot serve University Drive between IL-157 and Esic Drive in Edwardsville. The bus will travel on Esic Drive and pick up and drop off passengers on Esic at University Drive to accommodate passengers that live in that section of University. This routing will be in effect until further notice.

For more information, visit [mct.org](https://mct.org) or call 618-797-4600.
