ATTENTION EXPRESS PASSENGERS

MCT Express routes will resume serving the following PM bus stops: **7th & Market** and **Washington & 6th** (due to snow pile, the bus will not be able to pull to the curb, passengers will need to come to the bus until it melts). There is still **no service** at **7th & Pine** and **7th & Locust**.

All AM Express route deviations remain in place for the time being.

To stay up to date on express route stops in service, visit [MCT.org/express-service](https://mct.org/express-service)
